

# Taylor Swift Medley

AJ Rafael

You were in college working part time waiting tables  
Left a small town, never looked back  
I was a flight risk with a fear of fallin'  
Wondering why we bother with love if it never lasts

But she wears short skirts  
I wear t-shirts  
She's cheer captain  
And I'm on the bleachers  
Dreaming about the day when you wake up and find  
That what you're looking for has been here the whole time.

'Cause all I know is we said, "Hello."  
And your eyes look like coming home  
All I know is a simple name  
Everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday is everything has changed

If you could see  
That I'm the one  
Who understands you.  
Been here all along.  
So, why can't you see  
You belong with me

Drop everything now  
Meet me in the pouring rain  
Kiss me on the sidewalk  
Take away the pain  
'cause I see sparks fly whenever you smile  
Get me with those green eyes, baby, as the lights go down  
Something that'll haunt me when you're not around  
'cause I see sparks fly whenever you smile

I just wanna know you better, know you better, know you better now  
I just wanna know you better, know you better, know you better now  
I just wanna know you better, know you better, know you better now  
I just wanna know you, know you, know you

Ooh, we called it off again last night  
But ooh, this time I'm telling you, I'm telling you

I knew you were trouble when you walked in  
(We're never ever ever)

I knew you were trouble when you walked in  
(getting back together)

You go talk to your friends, talk to my friends, talk to me  
But, I knew you were trouble when you walked in

Never getting back together  
You are the best thing that's ever been mine
