

## Cat Pack

AJ Tracey

Daytrip took it to 10 (Hey)

Me, I set pace and I'm active (Ahh)  
Your girl wants me as a captive (Yeah)  
Smoking gelato, it's cat piss  
If it weren't bro, then I slapped it (Bow!)  
West London, call me the savior (Woah)  
Won't do a shawty a favor (No)  
Come to the block, you're in danger (Ahh)  
We do the most with the paper (Let's go!)  
Me, I set pace and I'm active (Ahh)  
Your girl wants me as a captive (Me)  
Smoking gelato, it's cat piss (Wow!)  
If it weren't bro, then I slapped it (Boo-boo!)  
West London, call me the savior (Woah)  
Won't do a shawty a favor (No)  
Come to the block, you're in danger (Ahh)

Run out this money, I'm running it back (Running)  
Running the show, I was running the packs  
How can a blogger try say that I'm wack? (Huh?)  
Nowadays, every song I do's a plaque (Ching!)  
Paigons don't like me, but like how I rap (Yep!)  
Prolly 'cause their girl's been making it clap (Clap-clap)  
Police are mad at the fact that I'm black  
And that their house isn't half of my stack (Oh well)  
I was in cunch with the ting on my lap  
And now I'm in the club with a ting on my lap  
You niggas cappin', you ran out of facts  
Try racing me, you gon' run out of gas  
Come get your girl 'cause she choosing  
Only Chief Keef when I'm cruising  
Everything wet when I'm shooting  
The club can't be lit 'cause there's you in

I used to sleep in my lectures (Yawn)  
My jeweller just gave me necklace (Bling-blaow)  
I need my shit with the extras (Facts)

Might rock Off-White with the textures (Facts)  
We used to spend it on Vespers (Vroom)  
Now the gang pull up in Teslas  
I had some cats that went teachers (Huh?)  
I used to give them the testers (Take it)  
I got a little bit older (Little bit)  
Now my chain go supernova (Blaow)  
Foot out, you know I'm a soldier (Brrt!)  
FN over my shoulder (Let's get it!)  
All of this shit got a hold of me (Yeah)  
Your record man ain't controlling me (No)  
I know the opps tryna roll on me  
I'm out in the sticks with a pole on me
