

# Doing It

AJ Tracey

(Swifta Production...)

Yo!

There's no way you can tell man that I can't do what I want to (I do what I want)

There's popstars that I've been with and I've got a few that I'm on to (Imma grab who I want)

I ain't go time to watch man that chat when it's untrue (I don't listen to the chat)

I've worked too hard and God knows the things that I've gone through (on my life)

Now I've got a house in the west (I'm doing it)

Now I put the ice on my chest (I'm doing it)

Now I got plaques on the wall (I'm doing it)

Now I never answer a call (I'm doing it)

Now I've got a house in the west (I'm doing it)

Now I put the ice on my chest (I'm doing it)

Now I got plaques on the wall (I'm doing it)

Now I never answer a call (I'm doing it)
