Santa Barbara bendita
Para ti, surge mi lira

Y'all bitches busy on that craft shit
But you can't ever match my magic
Protected by the [?], I'm blessed
Come for me, I come for you, no sweat
Dark bells and casting spells
Stupid ho, you can't even spell
I stay elevated and you fell off
Don't try to curse me if I put you on
If you underestimate me
Ya cabo contigo
I do it for my homies
For my mama, y mi pueblo
Ayy ayy, thanks for the reunion
You know the real ones gotta do it
Set the record straight, this ain't Brujería
Listen up, take notes [?] Santeria

I'm sorry, I'm sorry
I'm sorry I'm a savage
I'm sorry, I'm sorry
I'm sorry, you need practice
I'm sorry, I'm sorry
I'm sorry I'm a savage
I'm sorry, I'm sorry
I'm sorry, you need practice

M to the O to the M-O
Did these bitches get the memo?
Drippin' in honey, these canary diamonds
This lemon ice, this yellow
They don't wanna catch this magic
Leave them bitches in a panic
You can't dodge these bullets
'Cause my craft is automatic
If you wanna try me
Then you will see that this shit is crazy
But I'm such a lady
I'm swervin' in that new Mercedes
'Bout to take them to the grave
Got their blood inside the rave
Rob these hoes of their moola
Yeah, 'cause I been that bruja

I'm sorry, I'm sorry
I'm sorry I'm a savage
I'm sorry, I'm sorry
I'm sorry, you need practice
I'm sorry, I'm sorry
I'm sorry I'm a savage
I'm sorry, I'm sorry
I'm sorry, you need practice

Third eye is open, I'm lookin' right through you
I'm rabid, I'm wild like I'm Cujo

I been on that tarot, that magic baraja
I'm laughing 'cause I am a brujo
I'm breathin' in all of that [?]
My sauce is so juicy, it's drippin' that jugo
This bracelet is out of this mundo
It's literally freezing like weather from Pluto
[?] bring me all the honey
The sweetness all over my money
Come at me sideways all funny
I will make you so unlucky
Why do you still be playing [?]
[?] I'm killing the game
Slap 'em, they will be taken
They'll be my hostage once they awaken

I'm sorry, I'm sorry
I'm sorry I'm a savage
I'm sorry, I'm sorry
I'm sorry, you need practice
I'm sorry, I'm sorry
I'm sorry I'm a savage
I'm sorry, I'm sorry
I'm sorry, you need practice
