

Kill Bill

Aja

Put you on my list (I'ma kill 'em)
Bet you get the gist (I ain't a villain)
I'm only here for my revenge (It's a vendetta)
Sweep 'em on a binge (No dilemma)
Take 'em to the cleaners, shoe game's gettin' meaner
Yes, I said meaner, fuck a nice demeanor
These bitches so pressed 'cause I put 'em to the steamer
I bring the heat, one on three, shoot like a fever

Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill
Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill

They tried to kill me, but I'm back, ho (I never left)
Zombie truck, Prada on the black coat
They quick to tell me what I lack, though
Never had the facts, but they in attack mode
How many carats when I made the cut?
Got my accolades, I don't give a fuck (Never)
I'ma spit on these bitches like I'm throwin' the guts
I'ma clean all these niggas like I'm sweepin' the dust
Who the fuck you know tryna pass the limit? (Me)
I'm payin' multiples of what these goons are gettin'
Lookin' like I'm paid way more than that
Work hard to be rich, bitch, don't forget it
And I never looked back, now I don't regret it
Fix your face then fix your credit
Wait (matter of fact), edit
Fix your whole life before you try and get it

Put you on my list, I'ma kill 'em
Bet you get the gist, I ain't a villain
I'm only here for my revenge, it's a vendetta
Sweep 'em on a binge. no dilemma
Take 'em to the cleaners, shoe game's gettin' meaner
Yes, I said meaner, fuck a nice demeanor
These bitches so pressed 'cause I put 'em to the steamer
I bring the heat, one on three, shoot like a fever

Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill
Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill

Pull up in the cream whip like I been ready
On that Mystery Machine shit, yeah, I been Freddy
I ain't gettin' cheaper by the dozen
I'm doin' donuts, they full of jelly

I am a beast, so I want the cookie, Chips Ahoy
Yeah, I ain't a rookie, swishin' ball and I'm in Illinois
I ain't Nene, but my wrist is leakin' on the ground
Boss writin' checks, you can't even get employed
The sad part, though, you think those shots gonna hit
Guess you should know I'ma do the matrix
Never lose, don't matter what my race is
Wanna get bucked? Why you wearin' them braces?
You trippin', time to tie the laces
A bottle full of Ace and a handful of aces
Catch me world 'round, I be on different stages
Check me in the press, I'll be coverin' the pages

Put you on my list, I'ma kill 'em
Bet you get the gist, I ain't a villain
I'm only here for my revenge, it's a vendetta
Sweep 'em on a binge. no dilemma
Take 'em to the cleaners, shoe game's gettin' meaner
Yes, I said meaner, fuck a nice demeanor
These bitches so pressed 'cause I put 'em to the steamer
I bring the heat, one on three, shoot like a fever

Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill
Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill

Oh, word, you said I can't spit
Coming from these niggas who really ain't shit
You'll never know a dividend, you'll never have a split
You'll never know nothin' but suckin' my dick
Who had Rolling Stone on the first album? (Me)
Sold out venues, never had a problem
So who really tryna get it poppin'?
Address it when the second album is droppin'
Heard that I'm a shame, my head's so full of fame
Isn't that a shame? I'm so full of vain
Hatin' on me 'cause I'm winnin' the game
You know no matter what I do, they gonna complain
I'm here to entertain and flushin' down the drain
'Cause I shut it down, I'm in a special lane
Fuck comparisons, won't stop 'til I'm legendary
And I'm dead-ass like a donkey in a cemetery

Put you on my list, I'ma kill 'em
Bet you get the gist, I ain't a villain
I'm only here for my revenge, it's a vendetta
Sweep 'em on a binge. no dilemma
Take 'em to the cleaners, shoe game's gettin' meaner
Yes, I said meaner, fuck a nice demeanor
These bitches so pressed 'cause I put 'em to the steamer
I bring the heat, one on three, shoot like a fever

Kill Bill, Kill Bill
I'm shootin' back, Kill Bill
Kill Bill, Kill Bill
You under attack and I'ma Kill Bill
Kill Bill, Kill Bill
I'm shootin' back, Kill Bill

Kill Bill, Kill Bill
You under attack and I'ma Kill Bill
