

# Break My Face

AJR

Okay!

You run your mouth  
Your tongue fell out  
It's right there on the ground  
But now, you'll never drown  
You can't, you got no mouth  
So it ain't all bad now

What doesn't kill you  
Makes you ugly  
Life gives you lemons  
At least it gave you something

Okay!

So if I break my face, and I don't look so great  
My face is just my face (my face)

Okay!

So if I break my face, it ain't my darkest day  
My face is just my face  
I'm okay

You roll your eyes  
A hundred times  
At every phony lie  
Are your eyes okay?  
They rolled away  
Right down the interstate  
But at least you can't cry today

Okay!

So if I break my face, and I don't look so great  
My face is just my face (my face)

Okay!

So if I break my face, it ain't my darkest day  
My face is just my face  
I'm okay

What doesn't kill you  
Makes you ugly  
Life gives you lemons  
At least it gave you something  
What doesn't kill you (what doesn't kill you)  
Makes you ugly (makes you ugly)  
Life gives you lemons  
At least it gave you something

Okay!

So if I break my face, and I don't look so great  
My face is just my face (my face)

'Cause everything is going great

So if I break my face, it ain't my darkest day  
My face is just my face

I'm okay

I'm okay

At least it gave you something

At least it gave you something
