

## The Trick

AJR

I've got a dog and my dog can dance  
Just not in public and not with my friends  
I've got a girl and she's twenty-eight  
Now, I'm the coolest guy in all of eighth grade

I know a kid that you've never met  
His dad was a rockstar, we smoked in his van  
I know a trick, do you want to see?  
I can be anything that I pretend to be

We'll get out of this  
We'll get out of this too  
I'm not proud of this  
But I'm not proud of the truth  
And if you run from me  
Then I'll use my trick on you  
The truth is that I'm screwed

I went to France and danced in the rain  
And told you all about it on our first date  
My dad doesn't lie so you can't meet my dad  
'Cause you fell in love with the me that went to France

We'll get out of this  
We'll get out of this too  
I'm not proud of this  
But I'm not proud of the truth  
And if you run from me  
Then I'll use my trick on you  
The truth is that we're screwed

We'll get out of this  
'Cause I love you, I do  
We'll get out of this  
'Cause I love you, it's true  
But if you're doubting this  
If you're doubting that I do  
Then oh my God, I'm screwed
