

Candy Land

AK

Take me to candy land
Sweeter than sugar, you doing that dancey-dance
Take me to candy land
Bring all them goodies, I'll show you the candy man
I'll throw you bandy-bands
Used to be bitter but now I'm a candy fan
Take me to candy, yeah
Come take me to candy land, ooh
Take me to candy land
Sweeter than sugar, you doing that dancey-dance
Take me to candy land
Bring all them goodies, I'll show you the candy man
I'll throw you bandy-bands
Used to be bitter but now I'm a candy fan (Aight, look)
Take me to candy, yeah (I'm 'bout to fuck this up)
Come take me to candy land, ooh

Aye, I got me a lil' sweet tooth
Shit, you'd prolly give me a cavity
See you bounce it how the beat do
My dentist definitely gon' be mad at me
I can't sit and just watch
Come here, sit and just watch, aye
I let you get up on top
I feel the drip when you drop, aye
I'on ever write shit like this
Had to make an exception, you got me up, flight risk
Got that cinnamon sugar, get messy in a white Benz
Candy cane inside, red seats, white trim
I feel like I have the golden ticket
She a nerd for the ropes, said my stroke hit different
Good dessert, I prefer cake over chicken
Strawberry bottomed shoes and she go the distance
I told her to

Take me to candy land
Sweeter than sugar, you doing that dancey-dance
Take me to candy land
Bring all them goodies, I'll show you the candy man
I'll throw you bandy-bands
Used to be bitter but now I'm a candy fan
Take me to candy, yeah
Come take me to candy land, ooh
Take me to candy land
Sweeter than sugar, you doing that dancey-dance
Take me to candy land
Bring all them goodies, I'll show you the candy man
I'll throw you bandy-bands
Used to be bitter but now I'm a candy fan
Take me to candy, yeah
Come take me to candy land, ooh

Yeah, aye, caramel skin, got that Kardashian complexion
Ready, whip and chillin', we ain't worry 'bout connection
She see me, she gushing, had fun dipping in my section
Artificial flavors, I ain't tripping, girl, go flex them
Told her "You ain't gotta worry about it, I'ma stay doing me while you doing

you"

She turn to a dog when I show her the bone, now she snacking on it, ain't no
Scooby Doo
Said it wasn't no discussion, cuz damn, that shit bussin', she said it's different from the usual
Like it came from out the blue, caught her drooling, she said "So much I'm try'na do to you"
I couldn't wait, honestly I feel the same
She cuckoo crazy with the brain
She taught me some things
She said I'm her buttercup, then it got nutty
Shit, I just let her do her thing
Bittersweet, but it feel
Like a dream but it's real
Satisfying every time
She a treat and a meal
I'm try'na see what's in the middle
She told me she loves when she

Take me to candy land
Sweeter than sugar, you doing that dancey-dance
Take me to candy land
Bring all them goodies, I'll show you the candy man
I'll throw you bandy-bands
Used to be bitter but now I'm a candy fan
Take me to candy, yeah
Come take me to candy land, ooh
Take me to candy land
Sweeter than sugar, you doing that dancey-dance
Take me to candy land
Bring all them goodies, I'll show you the candy man
I'll throw you bandy-bands
Used to be bitter but now I'm a candy fan
Take me to candy, yeah
Come take me to candy land, ooh
