Like I Got It

AK

Yeah
Jacovelli

Ain't nobody got it like I got it (Like I got it)
Everybody wanna talk shit though
If I'm being honest, I'm so sick of everybody (Everybody)
Fake drip, boy, you been broke
You can hate me now but soon you gon' fuck with' me
I can't wait for the day when you duckin' me
You gon' be scared to hate while they lovin' me
That's the time you realize no one touchin' me, ayy

I wake up everyday knowin' ain't nobody got it like me though
Everybody claim they competition, I'm tryna find 'em like Nemo
My mind turned to a cyclone every time I think, vroom, spins like vinyls
I will never go back, but back so my eyes don't keep goin' up, I soar like D
ino
I see they tryna put me in a box and I laugh at 'em
I don't think they get that ain't happenin'
Rappers I've had it, wish I knew magic 'cause all of 'em probably be vanishi
n'
All these comparisons, bitch, I ain't scared of 'em
I'm facin' AK, ain't no way I'm scared of 'em
Done playin' fair with 'em, God say a prayer for 'em
'Cause they meetin' you if I get my hands on 'em

Ain't nobody got it like I got it (Like I got it)
Everybody wanna talk shit though
If I'm being honest, I'm so sick of everybody (So sick, Everybody)
Fake drip, boy, you been broke
You can hate me now but soon you gon' fuck with' me
I can't wait for the day when you duckin' me
You gon' be scared to hate while they lovin' me
That's the time you realize no one touchin' me, ayy

All of my time is invested, that's why I'm who they worried 'bout
'Cause of that I'ma buy a mansion
Put more plaques in it then a dirty mouth
You can watch the moves while you moppin' rooms
Lookin' up to me like I'm a father to 'em
What you're doin' is what I'm not doin'
That's why I'm doin' thangs that you not doin'
Everybody feel remorse, talkin' how they want smoke
'Till show my face in the gas and they all choke
I mean, I don't really get it, man, how many want more?
Oh, you about to hold me now? You probably should call more
'Cause we on and we gone and we can't catch breaks
In the zone for the throne, lemme set that straight
If you know it, then you know it
Boy, the best can't take what I bring to the table
Got the best damn plate
Woo

Ain't nobody got it like I got it (Like I got it)

If I'm being honest, I'm so sick of everybody (So sick, Everybody)
