

# Numb

AK

Aye

This ain't nothing like the highlights be  
But I know sometimes is I kinda wanna feel none, aye  
I just wanna feel numb, aye  
I just wanna feel numb  
You gon' see the other side might bleed  
Might cry but nothing worse than fighting for a feeling, aye  
But you don't wanna feel none, aye  
You just wanna feel numb (Look)

I know when you lying to me  
I don't wanna be that guy, but you see  
Why would I just watch, keep quiet, agree  
When I know what you're doing? I'ma have you dying to see  
Now we all be struggling, and hardcore habits hard to quit  
Circus life, two lives, you juggling  
Had to show up and you know what you fucking with  
Death poking at it you, them needles doing you bad, yeah  
Your family needs you, we'll help you carry your baggage  
I hope you see this through and its something you passing  
Cause I don't wanna see you six feet under the grass, yeah (Aye)

This ain't nothing like the highlights be  
But I know sometimes is I kinda wanna feel none, aye  
I just wanna feel numb, aye  
I just wanna feel numb  
You gon' see the other side might bleed  
Might cry but nothing worse than fighting for a feeling, aye  
But you don't wanna feel none, aye  
You just wanna feel numb

Life is fucked but open up, you never once came talk to me  
I can't relate to what you're facing, all I know, my heart is breaking  
All your friends are clueless too, I disagree wholeheartedly  
If they your boys, they wanna help  
Support a friend, they knows in need  
But dissing me from the outside speaking, I don't wanna hurt feelings, but these words I mean it  
You probably gonna hate me cause I'm speaking  
Gonna tell it to your face, in this song I'm singing  
Just please know, I'm here till we old  
We move and we grow, right now we just slow  
But I promise you this (Aye)

This ain't nothing like the highlights be  
But I know sometimes is I kinda wanna feel none, aye  
I just wanna feel numb, aye  
I just wanna feel numb  
You gon' see the other side might bleed  
Might cry but nothing worse than fighting for a feeling, aye  
But you don't wanna feel none, aye  
You just wanna feel numb (Aye)  
This ain't nothing like the highlights be  
But I know sometimes is I kinda wanna feel none, aye  
I just wanna feel numb, aye  
I just wanna feel numb

You gon' see the other side might bleed  
Might cry but nothing worse than fighting for a feeling, aye  
But you don't wanna feel none, aye  
You just wanna feel numb
