

## One More

AK

Say the glass half full cause my cup half empty  
Ask me for the time I say half past tipsy  
Sip it till I'm dumb numb  
I won't remember tonight but you won't forget me

1 shot 2 shot 3 shot 4  
5 6 heaven Lord knows I don't  
Need another round bring around just one more  
Just one more, just one more

I ain't ever been the one to blame  
All you LA girls all look the same  
So mad at me until you came  
Only thing bout you that isn't fake

Even after a while know you still thinking about it  
Maybe I should calm down but I'd be down if you bout it  
You can try but your eyes don't lie as well as your mouth is  
He could pull up right now and do it better I doubt it

Say the glass half full cause my cup half empty  
Ask me for the time I say half past tipsy  
Ass so fat might be seeing double  
This might be the drinks but I think I love you  
Fuck you till you dumb numb  
I won't remember tonight but you won't forget me

1 shot 2 shot 3 shot 4  
5 6 heaven Lord knows I don't  
Need another round bring around just one more  
Just one more, just one more  
1 shot 2 shot 3 shot 4  
5 6 heaven Lord knows I don't  
Need another round bring around just one more  
Just one more, just one more

If there's not a way  
We'll find a way  
Imma take yo ass to a finer place  
You been bottling, your problems in  
We won't move to fast but we won't move slow  
Been on a vibe  
Been on a vibe ohhh  
Hop on the ride, I get up inside let's go  
Sorry if I'm, slow to reply  
I'm so sorry I got so many options ohhh

Say the glass half full cause my cup half empty  
Ask me for the time I say half past tipsy  
Ass so fat might be seeing double  
This might be the drinks but I think I love you  
Fuck you till you dumb numb  
I won't remember tonight but you won't forget me

1 shot 2 shot 3 shot 4  
5 6 heaven Lord knows I don't  
Need another round bring around just one more

Just one more, just one more  
1 shot 2 shot 3 shot 4  
5 6 heaven Lord knows I don't  
Need another round bring around just one more  
Just one more, just one more
