The Process

AK

Yeah...
Look...
Yeah! And so I be working, making them nervous
Cause I'm relentless for what I deserve, it's kinda annoying but fuck it I e
arned it
I do not care, I'mma live with a purpose
Yeah I'm a nerd but not gonna pass
Like one of my classes so I gave up and committed to rappin
Look where I'm at now rappin on campus to a bunch of college students get fe
edback and start improvin'
If I was in your shoes I probably wouldn't do shit
Let's be honest, I'm a nuisance
My mom said not to do this
She said the chance of me making it's very low imma prove it, yeah
I gotta prove my momma wrong gotta show her this creative side that I been o
n
She don't know about the moves I make when I'm not home
Cause lately I been constantly settin off the fire alarm
So everybody stares at me when I walk in
Hella people switched up when they saw money come in
Gotta separate from those who fake but tryna fit in
That's why they gettin mad when I talk my shit, yeah
All them salty they see that I haven't brought them in
Workin is payin nothin, I always told them I got it
They all told me to keep going
But none of them really thought it would actually get up going, there's some
thin' and now their mind is... blown
Their minds are completely gone
Cause everything that I told them would happen and slowly showin
It happened and it's fantastic and all of it came from rappin
I gotta continue at it until my time here is gone

Yeah and everybody's on the same shit
I don't fuck with nobody that shit is dangerous
Everybody's turning into snakes it's...
Pretty crazy my whole life is changin'

Yeah and everybody's on the same shit
I don't fuck with nobody that shit is dangerous
Everybody's turning into snakes it's...
Pretty crazy my whole life is changin'

Now lemme get it back because I'm hungry tryna feast more
I work 7 days straight, I'm never weak though
Jersey is my roots but I rep the entire east coast
Crucial to this game like an overtime free throw
They all talk, they need to just get right
It's my platform I ain't sharin' shit, act like its mad life
They be buzzin' 'bout my rhymes like they speaking of the climate
I spit fast like some jets now that's the reason I'm a giant
Most rappers got no foundation, they slippin' up
I'm tryna stand out, that's why imma switch it up
I can't lie I am fly and my outfits been sick as fuck
I toe tag any beat that I'm given, what!
I love feeling the pressure it's pleasure ain't nothing less
But I gotta stick to my roots cause my gift is my only treasure
Need my message to be heard, I don't wannna stir pressure

My flow will keep me on top cause that shit be under the weather

Yeah and everybody's on the same shit
I don't fuck with nobody that shit is dangerous
Everybody's turning into snakes it's...
Pretty crazy my whole life is changin'

Yeah and everybody's on the same shit
I don't fuck with nobody that shit is dangerous
Everybody's turning into snakes it's...
Pretty crazy my whole life is changin'
