(Get ready, we are through and we're  
Doing it better)  
(Than anybody else alive)

Lemme do my thing in Durbane  
Oh, aah-ah, yeah, let's start all over again  
Lemme do my thing in the Durbane

I'm an African man in an African country  
If I'm the making money, is you raising family  
Need an African woman who gon' set to something  
If I give you my loving, you go telling me nothing  
Aah-ah, chop your money  
Aah-ah, chop your money  
Aah-ah, chop your money  
Aah-ah, chop your money  
(Lemme do my thing in the Durbane)

Shawty want a million dollar  
If I like you and your best friend  
And my girlfriend is a big, big problem  
If I'm gon' pay lobola  
Do I get a Caiphus Junior?  
Confess, computer, calculate  
Undo it  
When I pull up  
When you pull up, you already pull up too late  
(Lemme do my thing in Durbane)  
When I pull I don't buy face  
I buy more champagne

(Aah-ah let's start all over again)  
This love that I can't resist

I like to move it, move it
