

Amapiano

AKA

Now it don't matter win or lose
Que coisa boa, estamos juntos
That mean we're together 'til the end
Now it don't matter win or lose
Que coisa boa, estamos juntos
That mean we're together 'til the end

Oh Amapiano, woah (Yano woah)
Oh, oh-oh-woah, Amapiano (Yano woah)

I'm smokin' on that gas, the premium
Forget about the past, Sativa, amnesia
Let's dip into the stash, the cream, the Ginga
Let's operate the skeem, the team, the fixture, hah
Visions and ambitions in Maputo
I took the smaller plane to Vilanculos, you dig?
I sacrificed monate for my kid
Connected to the rib, now we livin' Telemundo

My brothers used to suffer, shay' islahla with the dip
I wish I was a little bit softer
Majita bano mona
They know I have a girl, bitches gettin' out of order (Hey)
They gettin' out of order

Now it don't matter win or lose
Que coisa boa, estamos juntos
That mean we're together 'til the end
Now it don't matter win or lose
Que coisa boa, estamos juntos
That mean we're together 'til the end

Oh Amapiano, woah (Yano woah)
Oh, oh-oh-woah, Amapiano (Yano woah)

Que coisa linda (que coisa linda)
Que coisa linda (que coisa linda)
Laylizzy tá contar dinheiro no Repinga
I'm flexing, que vida
Awoza, my niggas (my niggas)
I celebrate, eu chorei quando não tinha (ah, ah)
Agora vê minha face em todas esquinas (ah, ah)
Samoras, Franklins, Madibas (ah, ah)
Se ela tá comigo é porque ela é linda (ah, ah)
New bag alert, são boas notícias
Let's talk about the bag, the green
The messages they left, on seen
Let's talk about the crash, the dream, the scene
We came up with a mean cuisine, I leveled with the team, I win
(I leveled with the team, I win)
Vamos embora

They won't dim my light again
I thought I reached my peak 'til I touched a higher place
Something inside of me, was telling me "Activate"
Andalé, run my race
Talk to me nice and sweet

Amapiano, woah (Yano woah)
Oh, oh-oh-woah, Amapiano (Yano woah)
