

## Crown

AKA

I'm coming with the heat, don't cool me down (Yeah)  
Ice in my teeth, and in my cup (Ayy)  
Blessings they gon' follow me for a while (Yeah)  
Yeah I put it all on me for the crown, yeah  
With the heat, don't cool me down, uh  
Ice in my teeth, uh, yeah  
Blessings they gon' follow me for a while  
Yeah I put it all on me for the crown

I got lawyers, I got fees, that's a lot of zaka  
Coloured boys in the streets with the balaclavas, ah  
Money machine, it go "Rata-tata", uh  
Money machine, it go "Rata-tata"  
Of course, of course  
The light, the force  
The slice, it's nice  
The night is short  
The lights, the smoke (Woo)  
Everybody want more, oh  
Okay now miss me with the back-and-forth, you're not Serena Williams  
I go hell and back for you, cookin' in the kitchen  
Setup in the living room, let's make some fuckin' classics  
Took Lemons to Lemondade, the plaques are wrapped in plastic  
Seen it like it's Deja Vu, it's just like I imagined  
I just need the butter, I don't need the interactions  
It's been well established that I'm a fuckin' savage  
Sittin' on the throne in my palace

I'm coming with the heat, don't cool me down (Yeah)  
Ice in my teeth, and in my cup (Ayy)  
Blessings they gon' follow me for a while (Uh huh)  
Yeah I put it all on me for the crown, yeah  
With the heat, don't cool me down, uh  
Ice in my teeth, uh, yeah (Uh huh)  
Blessings they gon' follow me for a while (Uh huh)  
Yeah I put it all on me for the crown (Ayy, yeah)

I came from the bottom (The bottom), yeah the south (South)  
They say I'm a problem, tryna figure me out (Ayy)  
I'm a living legend (Yeah), without a doubt  
Miss me with the flowers (Ayy), I'm on that loud (Gas)  
Don't try to downplay me, I inspired a lot (Uh huh)  
I'm a boss so you know I had to fire a lot (Uh huh)  
I see blessings comin' through (Uh huh)  
It's a different kinda view (Uh huh)  
I'm the essence, I'm the truth (Uh huh)  
They talkin' 'bout me, nothin' new (Yeah)  
I been through the worst (Worst), niggas know it (Know)  
Almost sold my life tryna be heroic  
If I make a hunnid mill' hope I never blow it (Blow)  
Everyday I'm goin' through it but I never show it (Nah)  
They keep sayin' I'ma fall but I'm still in this bitch (Uh huh)  
One day I'ma ball, bitch, I'm finna be rich (Uh huh)  
Blessings they gon' fall and it's finna be lit  
Supa Mega and big Hustle, bro, who bigger than this? (Huh?)

Blessings they follow (This is for supervision and control), follow me 'roun

d for a while

From now 'til tomorrow, I pray the sun always shine on mine

Blessings they follow, follow me 'round for a while, a while (A while)

From now 'til tomorrow, I pray the sun always shine on mine
