

## Dangerous

AKA

This feeling is dangerous  
But I don't see nobody else right now  
It's just me and my baby (My baby)  
Kiss on the neck, it's gettin' lit  
She say she wanna love me up and (Oh up and down)  
Oh up (This is for supervision and control), oh up and down

I know this, I know this party goin' up right now (Right now)  
This feeling is dangerous  
But I don't see nobody else right now, it's just me and my baby (My baby)  
Kiss on the neck, it's gettin' lit  
She say she wanna love me up and down (Oh up and down)  
All the cars and the clothes and the riches  
Trade it all and the Lord is my witness  
I said she got me goin'- (Going uh)

Busy for the cap  
Grab the globe and spin it, put acrylics on a map  
Zanzibar Mauritius, feed you peaches while you splash  
Poetry in motion, rubbin' lotion on your back  
Tryna keep my focus 'cause I know you gettin' wet  
You cannot control it, I'm the best you ever had  
Victoria Secret, I undo it with one hand  
That's the oldest trick, I learned that shit in standard 8  
Anyway, I'm feeling you, I think we should engage  
Tell me where your grandma stay, lets activate the Rands  
Kairo is the one, but I need someone to extend my legacy  
A son wit' you, the icing on the cake  
They say nothing is forever, don't forget to pray  
All I know is since I met you nothing was the same  
Your name is a tattoo on my heart, I cannot laser  
This time is the last, I pray to God we do not break up

I know this, I know this party goin' up right now (Right now)  
This feeling is dangerous  
But I don't see nobody else right now, it's just me and my baby (My baby)  
Kiss on the neck, it's gettin' lit  
She say she wanna love me up and down (Oh up and down)  
All the cars and the clothes and the riches  
Trade it all and the Lord is my witness  
I said she got me goin'-

So tell me what you want, what you really-really want  
Juicy in the back, juicy in the front  
Tummy very flat like Christina Milian  
Bragga is a beast, pioneer, icon  
Bought myself a crib, made my momma very proud  
And I did it by myself, had to give myself a pound  
I ain't perfect but I'm worth it, heavy is the crown  
It's a harder balance, make him feel like the one  
Anyway I'm feeling you but I ain't nothin' normal  
I think you said "I love you" before me, is that normal?  
I admit I was a fan of you but I was loyal  
It's so crazy when I look at you through different goggles  
They don't understand you like I do  
Lost then I found you  
Grabbed you by the neck then I drowned you (Mhm)
