

Finessin'

AKA

Nelli you're finessin', you a lion, you be lionessin'
Mario Badescu, wash away my sins
For the wins, 'cause the lord is my shepherd
All you basic bitches is my minions
I step in the club, I feel like the queen of England
Too much melanin in my kingdom
Got the biggest boss and he wrapped around my finger

Pussy money weed, that's all I ever need
Number one priority is find myself a queen
If I take you shopping, you don't bow down on your knees
But if I tell you "pop it", you gon' break it down for me
This shit can get hot, dagger in my heart
Don't know when to stop, take it to the top
I give you my car but you can have this dick for free
I give you heart if you can treat me like a king

Nelli you're finessin', you a lion, you be lionessin'
Mario Badescu, wash away my sins
For the wins, 'cause the lord is my shepherd
All you basic bitches is my minions
I step in the club, I feel like the queen of England
Too much melanin in my kingdom
Got the biggest boss and he wrapped around my finger

I'ma gon' need your temperature, zero
You gon' have to chill if we go Rio de Janeiro
Oyster box, superstar, that 100 pre-rolls
You gon' roll dice in the casino
Scorpion, got the price for the endo
Why smoking jah I can smell it through the window
Everything I touch is another blockbuster
This Gorilla Glue, there's about few like a dreadlock rasta
I can not protect me in a concrete jungle (yebo yebo)
This a Babylon ting, I don't want no trouble

Nelli you're finessin', you a lion, you be lionessin'
Mario Badescu, wash away my sins
For the wins, 'cause the lord is my shepherd
All you basic bitches is my minions
I sip in the club, I feel like the queen of England
Too much melanin in my kingdom
Got the biggest boss and he wrapped around my finger

Are you acting hostile?
Is it cause of Beamer and Micasa
If you tryna run, I show you tough love
Pussy is a fruit, baby give me juice
I don't want no fanta
We were hella drunk when we had that first lamza
Love is a drug, 2019 met the one at the one
No, I don't wanna be single, I mingle
Take a break, [?] smoke a cigarette
You be in the prime of your light
And I'll be busy looking for my ride to my die

Ice cream, tooty fruity

In the mirror, pop my booty
Yeehah, put my jeans high
I go shopping, I go chop it, Louis V, hi
I'm a boss bitch, I'm a Monalisa
