(Sister Bethina)

Ooh ah, fresh out the bed
New Jordan 3s, got a spring in my step
Do my devotion and drop in a X
Hit the Off-ramp and go right to the bag
This shit is pendulum motion, it swings
I just sit back and let God do his thing
Tint in my windows so you can't see in
I close the circle, we out for revenge
I am a fan of Piano but I cannot bend over backwards to fit in with trends
Tell me what happened with Mega?
Go platinum, I'd rather sell nothing, than lie to my fans

Lawyers on lawyers, they cost me a fortune
They loya'ed, they loya'ed, put price on my head (Huh)

Whenever I slip it's Christmas
Whenever I sip it's Crystal
Guapin' my lawyer, watchin' for loyo
