Ayoburr  
Here we go

Thinking to myself, what's the reason that I even started making music in the first place  
Only thing I needed was some petrol money  
Little mami and a fake gold chain  
Do you ever look yourself inside a mirror?  
God forgive me for my old mistake  
Your holy spirit flowing in me like a river  
Saint John  
King James (Yebo)  
Pro Kid (Yebo)  
Lebron James (Yebo)  
K. Forbes (Yebo)  
Bruce Wayne (Yebo)  
I got the jacket with the Michael Jackson zipper  
Moonwalk  
Champagne (Yebo)

Ekse!  
It's time to look alive  
Fuck a Insta-live  
All of that drip in your closet, but you can't go outside  
Who you gon' show it to? You can't go to Taboo  
This ain't no carnival, niggas is vulnerable  
You can depend on Vetkuk-Mahoota the rent is due  
You need a miracle  
I go to Woolworths, come back and feel terrible  
It's easy to stay home  
When you ain't gotta deal with no domestic abuse  
Please count your blessings  
Don't be complaining about your Wi-Fi connection  
Don't pay attention to them brand influencers  
They can't do jack shit because, influenza  
I can't relate cause of the standards I put in place  
You taking us backwards  
I like your beats but all your lyrics is plastic  
There's only one Kiernan Jarryd  
Ohh you blowin' up?  
Fantastic

Thinking to myself, what's the reason that I even started making music in the first place  
Only thing I needed was some petrol money  
Little mami and a fake gold chain (Yebo)  
I got the jacket with the Michael Jackson zipper (Yebo)  
Moonwalk (Yebo)  
Champagne (Yebo)  
All this competition turned me to a killer (Yebo)  
Stay solid (Yebo)  
Bill Gates (Yebo)

You know this ain't my first rodeo  
I don't show love but my photographer Romeo  
End of the month, lean on your boy like a Quad  
You come up short like it's polio

Spending your dough  
Your nose looking like pinocchio  
Romany-Creams  
That's my portfolio  
That was the shit before we heard about Oreo  
These type of treats on the reserve for the older folks  
You know you gotta get Santi on a lean  
How many sugars?  
That's how it is  
Go boil the kettle  
Take care of the kids  
My baby you deserve a gold medal  
Rose petal, the finer things

Thinking to myself, what's the reason that I even started making music in the first place  
Only thing I needed was some petrol money  
Little mami and a fake gold chain  
Do you ever look yourself inside a mirror?  
God forgive me for my old mistake  
Your holy spirit flowing in me like a river  
Saint John, King James, Pro Kid, Lebron James, K. Forbes, Bruce Wayne  
I got the jacket with the Michael Jackson zipper  
Moonwalk, champagne

Shampopo, my closet need more Gucci-Dior-go  
Since timely put my face on the logo  
It's Yanga when he off the gologo  
Where I'm at it's a no go  
Sure Pop  
Ma-Cherry ndisawabambe nge-ncoko  
They tryna' profit of my hustle in short forth  
Training just to fight with the po-po  
I'm started looking something like Tompo  
Sending love to magogo  
If I don't make it they gon' send me to Polsmor  
We-Forbes  
Super villain of course  
Heavy with the women siyabaphilisa Nkosi  
Love me when I'm winning that's a gift and a curse  
But she don't fuck with liquor but she sippin' the purp  
I need a rollie and a mansion for the week  
Bryanston, let me live  
Never had assistance so I did it for myself  
Man in the mirror you're movie time show

Thinking to myself, what's the reason that I even started making music in the first place  
Only thing I needed was some petrol money  
Little mami and a fake gold chain  
Do you ever look yourself inside a mirror?  
God forgive me for my old mistake  
Your holy spirit flowing in me like a river  
Saint John, King James, Pro Kid, Lebron James, K. Forbes, Bruce Wayne
