

# Paradise

AKA

I took you to Paradise  
I gave you Diamond Walk  
Roses for Valentine  
You still want so much more  
It's me who serves in the story  
It's me who love in the morning  
I took you to Paradise  
No, no, no, no  
Let's do this one more, one more time  
I touch the reset, red red wine  
Come down your defense, touch me nice  
Show me your weakness, do you right

Hey, I took my girl to the mall  
She bought the Fenty, I bought Dior  
She saw Balanci, her smile finesty  
Be-be my soul, ka re you go  
This thing electric, bamba me so  
This real connection, not izinyoka  
Give me affection, please don't include  
How far the texture, is keeping you warm  
I see many huns on their toe  
But really you the one  
Easy come, easy go  
Just bought the Henny out like the dawg  
Look at your bikini for the co-  
A lot of spitz-bitzi on the boat  
Is it from Daily Sun wanna know  
All up in our business  
Wanted to be post  
Rollie looking like what I sold you my soul  
Diamond, Platinum, Gold

I took you to Paradise  
I gave you Diamond Walk  
Roses for Valentine  
You still want so much more

How can I think straight  
You and I, reset  
Show me love baby
