

Boracay

Akcent

It's nice to know that you were there,
Boracay, Boracay, ha!
Boracay, Boracay, ha!
Ha, ha, ha!

If you wanna touch the sky,
If you wanna high to fly,
You just need to close your eyes
Until the sun it will rise, it will rise,
Keep the music in your mind
And let everything behind,
Let the beat to be the light,
Dance all the night, all the night, all the night

Fly to me in Boracay, Boracay, Boracay
Fly to me in Boracay, Boracay, Boracay
Fly to me in Boracay, Boracay, Boracay

Maybe this is Friday night
Or even the Sunday light,
Let the beat to be your guide
Until the sun it will rise, it will rise,
If you wanna cross the line,
Bring another cup of wine,
We just have to realize,
This is the place where the fun never dies

Fly to me in Boracay, Boracay, Boracay
Fly to me in Boracay, Boracay, Boracay
Fly to me in Boracay, Boracay, Boracay

Hey DJ
Hey DJ
Hey DJ

Fly to me in Boracay, Boracay, Boracay
Fly to me in Boracay, Boracay, Boracay
Fly to me in Boracay, Boracay, Boracay
