

# How Deep Is Your Love

Akcent

I'm trying... not  
To be falling  
While I'm into  
Thinkin' of you  
Wanna touch you

I'm drowning  
Inside you  
Forever  
And ever

How deep is your love?

I'm trying ...to  
See you flying  
Wanna take you  
Into the blue  
Wanna hold you

I'm feeling  
So magic  
When you're here  
There's no fear

how deep is your love

I'm falling  
Inside this feeling  
So keep me falling  
Right inside you  
Having no clue  
Keep me falling  
We're falling  
Into the blue  
Having no clue  
What should we do  
We'll be falling in.
