

Even if I fall apart  
Even if you cry  
Even though I broke your heart  
I won't say goodbye

So don't hate me tonight  
Can't you see I'm right  
So don't hate me tonight  
Baby you are my light

Dear Isabelle  
You ring my bell  
Dear Isabelle  
I will treat you well  
Dear Isabelle

Even if I fall apart  
Even if you cry  
Even though I broke your heart  
I won't say goodbye

So don't hate me tonight  
Can't you see I'm right  
So don't hate me tonight  
Baby you are my light

Dear Isabelle  
You ring my bell  
Dear Isabelle  
I will treat you well  
Dear Isabelle
