She's the lady, wanna get her  
She's my lady, Kamelia!

She can take you everywhere,  
has a mood of billionaire  
Something special in the air  
when she's around!  
She's the devil in disguise!  
If you dare to look her eyes  
She would trap you like a prize,  
AGAIN AND AGAIN!

Oooooh ooh ooh  
I'll never let you go  
I'll never let you go MY LOVE

What up baby girl?  
Don't wanna interrupt  
Just want a little minute  
She said, OK whassup?  
I seen you across the bar, just sippin' on your drink  
No ring on the finger, what I'm supposed to think?!  
That you're single girl,  
Well I'm a single guy  
And by the smile on your face, says I'M RIGHT  
I wanna hold you up, I like the water  
You know I like the pond  
Girl, you're MY SWAN!

Oooooh ooh ooh  
I'll never let you go  
I'll never let you go MY LOVE  
Oooooh ooh ooh  
I'll never let you go  
I'll never let you go MY LOVE
