

Special Girl (one Love)

Akcent

Uuuuu uuuh
In the city lights,
She's like a brilliant
I dreamt she'd hold my hand
She's shining on the way
Hot summer light,
Like the middle of July
You're lips are close to mine
That crazy summer light

I run around the world
Uuuuu uuuh
To find the SPECIAL GIRL
Uuuuu uuuh
I run around the world
Uuuuu uuuh
To find the SPECIAL GIRL

Uuuuu uuuh
Uuuuu uuuh
Uuuuu uuuh
Uuuuu uuuh

In the city lights,
She's like a brilliant
I dreamt she'd hold my hand
She's shining on the way
Hot summer light,
Like the middle of July
You're lips are close to mine
That crazy summer light

I run around the world
Uuuuu uuuh
To find the SPECIAL GIRL
Uuuuu uuuh
I run around the world
Uuuuu uuuh
To find the SPECIAL GIRL

One love
One love
One love
We are one tonight
(x3)

I run around the world
Uuuuu uuuh
To find the SPECIAL GIRL
Uuuuu uuuh
I run around the world
Uuuuu uuuh
To find the SPECIAL GIRL
Uuuuu uuuh
