You can become a different person
Just by changing hairstyles, it's amazing

Light enters just by opening the curtains
So what's so amazing about it?

Who are you? I'm confused
When you pass by, everyone's jaws drop
Why? Because you got so pretty
They're all looking, can't help it
I told you to cut your hair before
You see, I know you better than you
Getting into you, getting into you
I'm getting into the close race between your 5:5 parting

Show me your face that you've hidden for all this time
Wow, give me my heart back
I see, I see you eyebrows
I ran all the way here to see that
Of course, your stiff and seaweed-like bangs
Had its own charm
I thought it was the back of your head when I was touching it
But then I touched your nose, so cute

You can become a different person
Just by changing hairstyles, it's amazing

Light enters just by opening the curtains
So what's so amazing about it?

You just changed your hair parting but
Why do I like it so much? Why are you so pretty?
You just changed your hair parting
It comes to life, I come to life because of you

Look, everyone is copying you already
Everyone is parting it like that
Seems everybody's got on your parting

No traffic light
Can block me (go straight on)
If it's you, even when you spray cheap hair spray

You make the sun rise
In my dull heart
Of course, I liked you before too

Your slightly revealed forehead
Your eyes are like a chihuahua
I mean, you're cute
Wanna do, pat your head, baby
I can't live because of you

You can become a different person
Just by changing hairstyles, it's amazing

Light enters just by opening the curtains
So what's so amazing about it?

You just changed your hair parting but
Why do I like it so much?
Why are you so pretty?
You just changed your hair parting
It comes to life, I come to life because of you

Parting

Don't go yet
Don't go soon
