I don't wanna go
I don't wanna go back to my home
I'm fearful of a lone night amongst numerous people
Shall we talk (Oh)
What shall we talk about
Shall we love? Shall we kiss?
I'm worried our calculators might be different

Baby, I'm so lonely, baby, I'm so cold
Like a paper plane, wee-woo, wee-woo, wee
Hearts out of reach
Round and round my life (Save my life)

Hero, hero, hero, you're my hero
The lover that'll hold me on a cold night
Hero, hero, hero, you're my hero
The magic of love, shooby-dooby love to you

Shooby-dooby, love to
Shooby-dooby, love to you
Shooby-dooby, love to
Shooby-dooby, love to you

I don't wanna go
I don't wanna go back anymore
It's a shame for this night to go by like this
Shall we face? Shall we sit face to face?
Shall we say everything? Shall we hide it a little bit?
I'm scared you might fly away like a little bird?

Baby, you're so lovely, baby you are my soul
Like a violin, wee-woo, wee-woo, wee
A playing mind
Ddu-ru-ru-ru forever (Stay in my life)

Hero, hero, hero, you're my hero
The lover that'll hold me on a cold night
Hero, hero, hero, you're my hero
The magic of love, shooby-dooby love to you

Shooby-dooby, love to
Shooby-dooby, love to you
Shooby-dooby, love to
Shooby-dooby, love to you

I don't wanna, I don't wanna, I don't wanna go
Calling your name in sleep
Wish you call, wish you call, wish you call me yours
Hope you appear in a crisis

Oh, in this chaotic world
I need you, yeah
Until the sun rises
I'll hold your hand, oh

Hero, hero, hero, you're my hero
The lover that'll hold me on a cold night
Hero, hero, hero, you're my hero
The magic of love, shooby-dooby love to you

Shooby-dooby, love to
Shooby-dooby, love to you
Shooby-dooby, love to
Shooby-dooby, love to you
