

Break the spell

Akeboshi

Pile of books surrounds, you're grinning at the door
Do you ever go wrong? Always look so smart
Hey, you go for broke, ever go for broke
Ever go for broke

So what's in your hand? You're talking so loud
From your safety world, the non-risky road
Hey, so what's in your hand? Show me your hand
So what's in your hand?

Break, break the spell, break the spell
Don't wanna lose you, don't wanna lose you
But I know, but I know, but I know, maybe a long goodbye
Break, break the spell, break the spell
Am I gonna lose you, am I gonna lose you?
But I know, but I know, but I know, maybe a long goodbye

Is this a long goodbye
Another long goodbye?

When you're monarch of the hill
There's no place you're going
Go brave into the dark then you're gonna break out
Hey you go for broke, ever go for broke
Ever go for broke

So what's in your hand? You're talking so proud
From your safety world, the non-risky road
Hey, so what's in your hand? Show me your hand
Hey, so what's in your hand?

Break, break the spell, break the spell
Don't wanna lose you, don't wanna lose you
But I know, but I know, but I know, maybe a long goodbye
Break, break the spell, break the spell
Am I gonna lose you, am I gonna lose you?
But I know, but I know, but I know, maybe a long goodbye

Is this a long goodbye
Another long goodbye?
Is this a long goodbye?
