

Morning High

Akeboshi

A piece of water knock on my window
Piece of water knock on my window
A piece of water knock on my window
When I'm deep inside my dream

Playing with my mind
When I'm deep inside my dream
Playing with my mind

Peace of water knocking on my window
Peace of water knocking on my window
Deep inside my dream

Peace of water knocking on my window
Peace of water knocking on my window
Deep inside my dream
