

# Man Without Faith Or Trust

Akercocke

Walking on water  
Water into wine

Fear is the opiate [Incomprehensible]

Clotted screams [Incomprehensible]  
Never ceasing repeating

Silence, words of righteousness  
Fill the angel's mouth  
The angel's mouth  
Fuck the mouth

Immerse the soul in oblivion  
An abyss of hallucinations  
With time standing still  
Standing still

Waiting patiently  
Waiting patiently  
Under a Judas goatskin  
Waiting patiently

To catch the life you throw away  
With time standing still  
Observing chaos in action  
Confront the real and ideal
