We are the only one's who can undo
the damage we have done, the damage we have done
We are the only one's who can undo
the damage we have done, the damage we have done

I'm pining I sleep with my eyes wide closed.
Bring your comfort, bring your stones.
The walls that I build can only, can only last so long.
Death our destiny death such a powerful song!
Death our destiny death such a powerful song!

Breathe life into these bones, speak love into my soul.
I want to stand for something more, I want a heart that can end
ure. Woah.
Breathe life into these bones, speak love into my soul.
The body's crushed the heart it slows, I've dug as low as you c
an go. Woah.

And I don't know if I'll ever be,
The arms that embrace or the mouth that speaks.
No matter the shadows or the depth of the sea.
Blood covered us and it's Blood that makes us free.

Carry-on just say what you really mean, carry-
on stand for something greater.
I will carry the weight of the world and bury what's underneath
.
Death is naked and crushed without fail, pull me up from the de
pths of the sea.

Breathe life into these bones, speak love into my soul.
I want to stand for something more, I want a heart that can end
ure. Woah.
Breathe life into these bones, speak love into my soul.
The body's crushed the heart it slows, I've dug as low as you c
an go. Woah.

And I don't know if I'll ever be,
The arms that embrace or the mouth that speaks.
No matter the shadows or the depth of the sea.
Blood covered us and it's Blood that makes us free.

Breathe life into these bones, speak love into my soul.

ure. Woah.
Breathe life into these bones, speak love into my soul.
The body's crushed the heart it slows, I've dug as low as you c

Into these bones, speak, into these bones, love, into these bon
es, speak!
