

# Akon's Beautiful Day

Akon

Yeah yeah yeah  
Yeah yeah yeah

God, thank you for sunshine  
Thank you for rain  
Thank you for joy  
Thank you for pain  
It's a beautiful day ay ay ay ay  
It's a beautiful day eeayy

If I take, the blame, and put it all on me  
I just pray, that I, don't end up, lonely  
This world will drive you real crazy and out of control  
Make you wanna pull out and let them shots go  
Had to just chill out 'cause I don't want to slide  
Losing homies really hurt to my soul

No matter how rough that road  
Far you go  
Take it easy and live life slow  
Through all the highs and lows  
Stay 10 toes  
Down like you're digging for gold

God, thank you for sunshine  
Thank you for rain  
Thank you for joy  
Thank you for pain  
It's a beautiful day ay ay ay ay  
It's a beautiful day eeayy

And thank you for this life  
Sorry I complained  
The ups and the downs  
Is just a part of the game  
It's a beautiful day ay ay ay ay  
It's a beautiful day eeayy

Riding through the city just reflecting on me  
While they hating I'm just keeping it cool  
I ain't even trippin long as money keep flipping  
And them bitches sticking to me like glue

Before the car jack  
I couldn't hit that  
I pulled a AKON  
She let me smack that  
Yeah, I was down bad  
But then I bounce back  
I took a wrong turn  
End up on the right track

No matter how rough that road  
Far you go  
Take it easy and live life slow  
Through all the highs and lows  
Stay 10 toes

Down like you're digging for gold

God, thank you for sunshine  
Thank you for rain  
Thank you for joy  
Thank you for pain  
It's a beautiful day ay ay ay ay  
It's a beautiful day eeayy

And thank you for this life  
Sorry I complained  
The ups and the downs  
Is just a part of the game  
It's a beautiful day ay ay ay ay  
It's a beautiful day eeayy

God, thank you for sunshine  
Thank you for rain  
Thank you for joy  
Thank you for pain  
It's a beautiful day ay ay ay ay  
It's a beautiful day eeayy
