Bigger ass than waist  
Love to stare at your cute face  
So blessed, give praise  
You run it, bust it at one place

My chérie oh, chérie oh, eh

My chérie oh, chérie oh, eh  
Would be better-better if you give me some love, ouh yeah

Watch you boogie down, boogie down  
Go 'head girl, boogie down, boogie down  
Gimme som' of that boogie down, boogie down

What you do to me, when you drop down low  
Shey o le, shey my bae
