

Enjoy That

Akon

Why have a life like mine, if you don't take time to enjoy that shit? (yeah)
So why have a life like mine, if you don't take time to enjoy that shit? (yeah)

Nigga, I got bitches, I got hoes
I got liquor, I got groove
Type of party that nobody want nobody else to know
Yeah, I got shiny, I got glue
Yeah, she like me and my flow
And if your hoe walk through my door
Don't ring my line, just check your hoe
Cause I got paid, I hit the door
I got out then I got loot
Then I had all my young boys serving posted up on every stoop
I got shooters, I got goons
I got friends and I got folks
I got niggas in the hood I thought I would never outgrow

So why have a life like mine, if you don't take time to enjoy that shit?
So why have a life like mine, if you don't take time to enjoy that shit?

Nigga, I got 'rraris, I got booze
Dripping in designer clothes
I got way too many women, it's like eenie miney mo
I've been taking way too many chances fucking with no coupe
I've been jumping out the window lately edge round on move

Nigga, I got liquor, I got hoes
I got bitches, I got due
Ain't no telling what this life of mine where we're about to go
And I ain't never trust these motherfuckers as far as I can go
And I done lost too many homies, I don't seen them tattooed toes

So why have a life like mine, if you don't take time to enjoy that shit?
So why have a life like mine, if you don't take time to enjoy that shit? (yeah)

Nigga, I got bitches, I got hoes
I got liquor, I got drol
Type of party that nobody want nobody else to know
Yeah, I got shiny, I got glue
Yeah, she like me and my flow
And if your hoe walk through my door
Don't ring my line, just check your hoe
Cause I got paid, I hit the door
I got out then I got loot
Then I had all my young boys serving posted up on every stoop
See, I keep flipping all the dough
I keep flipping all my dough
I got info on that bankroll just in case you wanna know

So why have a life like mine, if you don't take time to enjoy that shit?
So why have a life like mine, if you don't take time to enjoy that shit?
