

# Escape

Akon

I ain't gon' lie  
I wanna see you by my side  
When I open my eyes, e-e-eyes  
Girl, you are my type  
So together we shine  
For the rest of our lives

See, I wanna touch, wanna love your body  
You know the key to my heart, you got it  
Nobody else really make me feel like you do  
Even if the wheels fall off, we're ridin'  
Buy a house with a beach beside it  
It's not home if you ain't inside it, it's true, see

I will climb the tallest mountain  
I will swim the seven seas  
If I could  
To be by you  
I will fly to any island  
I will search the galaxy  
Girl, I would  
Just to be by you  
Oh

I don't wanna wait  
Let's do it today, today  
We can run away  
So far away, escape  
I don't wanna wait  
Let's do it today, today  
We can run away  
So far away, escape

So many come  
And so many go  
No one compares to you, you-ooh-ooh  
You showed me love  
Never felt it before  
Got me feelin' brand new, eh

I wanna touch, wanna love your body  
You know the keys to my heart, you got it  
Nobody else really make me feel like you do  
And even if the wheels fall off, we're ridin'  
Buy a house with a beach beside it  
It ain't a home if you ain't inside it, it's true, see

I will climb the tallest mountain  
I will swim the seven seas  
If I could  
To be by you  
I will fly to any island  
I will search the galaxy  
Girl, I would  
Just to be by you  
Oh

I don't wanna wait  
Let's do it today, today  
We can run away  
So far away, escape  
I don't wanna wait  
Let's do it today, today  
We can run away  
So far away, escape

Oh, my baby, oh, baby  
I would never let you go  
You drive me crazy, oh, crazy  
Say  
Oh, my baby, oh, baby  
I would never let you go  
You drive me crazy, oh, crazy  
Say

We can do it all tonight  
Yeah, let's forget tomorrow  
Let's forget tomorrow, yeah  
We can do it all tonight  
Yeah, promise me tomorrow  
Promise me tomorrow, yeah

I don't wanna wait  
Let's do it today, today  
We can run away  
So far away, escape  
I don't wanna wait  
Let's do it today, today  
We can run away  
So far away, escape
