Ya Boy:

Lock down time to make my block proud

California own twenty four I will watch now

Theres been a take over baby hostile

Yea the young cali convict got the rock now

I hear the rumors saying that I'm just pop now

Like they never heard a hood nigga wit a hot style

I got the hills to burns and the block now

Old bitchs wanna holla at me cause im hot now

I gotta new bitch sitting in my drop now

Song on the radio album bout to drop now

Music lives in california livin proof

Ya boy to rock a Konvict, what it do

I been had with these other niggas gettin to

Take ya girl home and make her earn all them gemmy jewels

I hope you like heat cause its hot in the kitchen boo

Do you have service, am I gettin through

Akon():

Hey, I know you heard we got the drop now

Konvicts supplyin niggas round the clock now

Gettin money am I forced to put the glock down

Glock Down, Glock Down

We expanded all the pipes now

And ima get accustomed to this lifestyle

No more spending all my cons tryin to fight trials

Lock Down, Lock down

Cause victory is my my my my my my my my my mine

Cause victory all is my my my my my my my my my mine

Eh

Ya Boy:

Another watch, another chain, another charm cocked

Time to wake these niggas up like alarm clocks

I see em hatin so we gotta keep the arms cocked

Im the reason CA on storm watch

Its bout to get ugly no whoopie gold

Superstar still in the kitchen whippin Os

Toss it to my youngest call me when you get it gone

f**k a rap nigga we about to get it on

Im speaking fo california from the top down

Holla at Ya Boy I got it locked down

I tried to tell em this foreva like a diamond

Im so hot shawty I could change the climate

Hey, I know you heard we got the drop now

Konvicts supplyin niggas round the clock now

Gettin money am I forced to put the glock down

Glock Down, Glock Down

We expanded all the pipes now

And ima get accustomed to this lifestyle

No more spending all my cons tryin to fight trials

Lock Down, Lock down

Cause victory is my my my my my my my my my mine

Cause victory is all my my my my my my my my my mine

Eh

And as days pass by like a G7

And all my hustlas on the corner of 7/11

Po alert on the ground and i start reppin

For all the homies layin down restin up in heaven

And I hope you watchin down

And proud of how we just locked it down

Dont let nothin stop the cash or get caught up

In the streets thats how we brought up

Ya Boy:

Im from a city where the fiends shoot up and spark

Load up the ammo its time to shoot up the charts

Game cold baby you might need a scarf

Rockstar but im riddin like noah's ark

Louis shades, dolce and gabana cloth

Your girl know I stay fly like santa clause

On the road wit a trunk full of Asher Roth

We gon pop rose when the package off

I swear to god I went and got the bay crackin yall

But I couldnt do it without LA backin though

Niggas say they gon get me, I laugh it off

Cause they know I keep shooters like basketball

Lock it down make Kon through away the key

Real nigga, record deal aint changin me

It took a while but we still got from a to z

I put in work nigga what you gotta say to me

Akon():

Hey, I know you heard we got the drop now

Konvicts supplyin niggas round the clock now

Gettin money am I forced to put the glock down

Glock Down, Glock Down

We expanded all the pipes now

And ima get accustomed to this lifestyle

No more spending all my cons tryin to fight trials

Lock Down, Lock down

Cause victory is my my my my my my my my my mine

Cause victory is all my my my my my my my my my mine

Cause victory is all my my my my my my my my my mine

Cause victory is all my my my my my my my my my mine
