

# More Than That

Akon

Konvict, Konvict

Ass and titties  
He love when I'm throwin' it back  
Yeah, I'm bad and pretty  
But he know I'm more than that  
I'm all about cash, let's get it  
I need some more than raps  
Came up from rags to riches  
I'm a hustler, you know it ain't cap  
Ass and titties  
He love when I'm throwin' it back  
Yeah, I'm bad and pretty  
But he know I'm more than that  
I'm all about cash, let's get it

I'm glad that he know  
I'm not like these average hoes  
Do what I say when I say that I will  
Tell me your secrets, he know my lips sealed  
Tell you I love you, I'm in it for real  
My heart been broken, my shit had to heal  
Come from the struggle, I know how I feel  
That's why I hustle and run up these mills  
It's deeper than titties and ass  
I'm ridin' and gettin' this cash  
It's too much to fit in the bag  
Sometimes I just sit and I laugh  
Was too smart to sit in the class  
So I took a different path  
Was too smart to sit in the class  
So I took a different path

The life she livin', bitches dyin' to live it
