

## New Life

Akon

I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
And I don't wanna go back  
Never go back to where I was  
God changed my way  
Gave me a new heart  
And I'll never be the same again  
And you have my devotion forever  
It's amazing that nothing would ever  
Separate me from His love  
My Creator from above

Who gave us life  
Who gave us life  
Who gave us life, yeah  
Gave us life and that's why...

I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life  
I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life

Now, no stress, no strain  
No pain, no gain  
No, I'm not who I was  
I'm not the same  
And you're not to blame, no  
Now, I don't complain  
And from my past show no shame, no  
'Cause we all been down that road before  
Hoping one day we will explore  
What's behind the golden door  
They say your friends ain't family  
You're lost along the way, how can it be?  
That you're here today and not tomorrow  
Nothing is here for certain, yes, that breath you take is borrowed

That's right  
He gave us life  
He gave us life, yeah  
Gave us life and that's why...

I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life  
I got my back to the wall  
Hands to the sky

Tryna do right  
I got a new life  
I got a new life

It's probably you, you already made up your mind  
You ain't seeing nothing because you already know  
All about this business singing to you  
You pray before you eat  
You rock your Jesus piece, you're spiritual (spiritual)  
You heard it all, you've seen it all, you know it all  
You go to church sometimes or you heard the stories before (Oooh)  
Well, that's all good, 'cause all I'm sug-sug-  
suggesting is that you get to know the Lord

I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life  
I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life  
I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life  
I got my back to the wall  
Hands to the sky  
Tryna do right  
I got a new life  
I got a new life
