You better hold on to your baby tonight
If I come over I will not be polite
I hope that you've been treated alright
Cos she's ready to strike (to strike)

A crime like this, yay, eh
Your body be taking risk, yay, eh
Oya baby come chop kiss, yay, eh
So baby come take this risk, yay, eh

But will she give me a taste of it tonight
Or if I flash this money, will she reply?
