Akon

(Welcome home, mom  
We're here now)  
Ay yo, mom

Remember the [?], my nigga? (Do you remember?)  
'Cause I remember  
We held down us three, my nigga (Do you remember?)  
'Cause I remember  
Remember me tryna flee, my nigga? (Do you remember?)  
'Cause I remember  
To the airport with 30 G's, my nigga (Do you remember?)  
'Cause I remember  
Got incarcerated with them G's, my nigga (Damn)  
'Cause I remember ('Cause I remember)  
Looking forward to when they set you free, my nigga  
Oh, I remember (oh, I remember), yeah

'Cause this life that I'm living (This life that I'm living)  
It's gotta a partition (It's gotta a partition)  
One half good, the other half hood  
Makes the town think I'm trippin' (But I ain't trippin')  
Even at the making of all this money  
The nigga still wanna go back (Go back)  
Even at the making of all this money  
The nigga still wanna go back (Go back)  
'Cause I can't shake the memory (I can't shake it), no (I miss the hood, y'all)  
Just can't shake the memory (I can't shake it), no (I miss the hood, y'all)

Remember how we ran the streets, my nigga? (My nigga)  
'Cause I remember  
All them foreign whips we never leased, my nigga  
Do you remember? (Do you remember?)  
Loud ass system with them beats, my nigga (My nigga)  
Do you remember? (Do you remember?)  
With the rooftop missing the other seats, my nigga  
Do you remember? (Do you remember?)  
Even if you aren't here, my nigga (What up, D?)  
Always remember  
'Cause you was there to always give me what I need, my nigga  
And I'll never forget it (Never forget it)

That's why this life that I'm living (This life that I'm living)  
It's gotta a partition (It's gotta a partition)  
One half good, the other half hood  
Makes the town think I'm trippin' (But I ain't trippin')  
Even at the making of all this money  
The nigga still wanna go back (Go back)  
Even at the making of all this money  
The nigga still wanna go back (Go back)  
Because I can't shake the memory (I can't shake it), no (I miss the hood, y'all)  
Just can't shake the memory (I can't shake it), no (I miss the hood, y'all)

It's hard to believe, my nigga  
But I'll always remember (Always remember)  
We started from the dirt to make at this cheese, my nigga

And I'll always remember (And I'll always remember)  
Even harder to believe, my nigga  
And I'll always remember  
We went from asking G's "what you need, my nigga?"  
And I'll always remember (I'll always remember)  
Remember when I said I'd never leave, my nigga  
And I'll always remember (I'll always remember)  
It's time I get back to the streets, my nigga  
I'll always remember (I'll always remember)

'Cause you know this life that I'm living (This life that I'm living)  
It's gotta a partition (It's gotta a partition)  
One half good, the other half hood  
Makes the town think I'm trippin' (But I ain't trippin')  
Even at the making of all this money  
The nigga still wanna go back (Go back)  
Even at the making of all this money  
The nigga still wanna go back (Go back)  
'Cause I can't shake the memory (I can't shake it), no (I miss the hood, y'all)  
Just can't shake the memory (I can't shake it), no (I miss the hood, y'all)
