

# So Blue

Akon

I see you every damn day and I can't help wondering why  
Why you look so good, but I ain't ever seen you smile  
Got a man that defined you, everything in this world  
But I guess he ain't loving you right, girl, no

Cause I, I can see that you're lonely  
Baby, you're one and only  
He ain't giving you attention  
Wanna know, wanna know, wanna know  
Is he telling you you're sexy?  
Girl, I wonder if you let me  
When I look at you I wonder, wonder, wonder

What he's doing with a girl like you  
I wanna know, know, know, know  
You're too fine to be looking so blue  
So blue, oh, oh, oh, oh, oh

What he's doing with a girl like you  
I wanna know, know, know, know  
You're too fine to be looking so blue  
So blue, oh, oh, oh, oh, oh

So blue, so blue

With a body like that, girl, you've been his, ain't fair  
See, I will love you all time and all around town, I swear  
I can see that he ain't been hitting that at night  
One ride with me would change your life oh

'Cause I, I can see that you're lonely  
Baby, you're one and only  
He ain't giving you attention  
Wanna know, wanna know, wanna know  
Is he telling you you're sexy?  
Girl, I wonder if you let me  
When I look at you I wonder, wonder, wonder

What he's doing with a girl like you  
I wanna know, know, know, know  
You're too fine to be looking so blue  
So blue, oh, oh, oh, oh, oh

What he's doing with a girl like you  
I wanna know, know, know, know  
You're too fine to be looking so blue  
So blue, oh, oh, oh, oh, oh

So blue, so blue

See, blue ain't your color  
Baby, you need a lover  
That knows what your life comes through  
Every time it ain't acting as it should  
I'm that solution, 'cause your man is a loser  
I'm looking, you feel so blue, so blue, so blue

'Cause I, I can see that you're lonely  
Baby, you're one and only  
He ain't giving you attention  
Wanna know, wanna know, wanna know  
Is he telling you you're sexy?  
Girl, I wonder if you let me  
When I look at you I wonder, wonder, wonder

What he's doing with a girl like you  
I wanna know, know, know, know  
You're too fine to be looking so blue  
So blue, oh, oh, oh, oh, oh

What he's doing with a girl like you  
I wanna know, know, know, know  
You're too fine to be looking so blue  
So blue, oh, oh, oh, oh, oh

So blue, so blue

Too fine to be looking so blue  
Too fine to be looking so blue  
How he ended with a girl like you  
Too fine to be looking so blue
