Yeah, my chick, she's hot shit  
The type of girl you cannot get  
If you ever, ever, ever come around  
Tryna shoot your shot, I'ma block it  
You know the time, clock it  
Whine and grind, drop it  
I tried to tell that ho  
She way too fine, stop it

Come play with the big toys  
You wanna rum-pum-pum when I beat on the drum  
Shh, no noise

Pull out the keys and lock it  
Girl, get off your knees and drop it  
'Cause you're way too fine, stop it
