Kept me out in Cali with my eyes open barely  
Blowin' and spinnin', goin' down Bennett  
Drop six-fo', three-wheel then switch it  
Red light stop, make it drop for the bitches  
Got a glock fo'-fifth, blow your head off wit' it  
Anything you hear that I said, I meant it  
King got the crown then sped off it wit' it  
Say you need bricks, I said I get it

If you want to, we can supply you  
Got enough work, to feed the whole town  
They won't shoot you, unless you try to  
Come around and try to stomp on our ground  
'Cause we takin' over, one city at a time  
Said we takin' over, one city at a time  
Said we takin' over, one city at a time  
Said we takin' over, one city at a time

Miami on fire, you better be, cautious  
Might get shot on the porch of your fortress

Now they see that you know I'm from Port City  
I run in 'cause Rick Ross is boss shit

'Cause we takin' over, one city at a time  
Said we takin' over, one city at a time

Fuckin' with some nigga, that paper long  
Been a g in the game now my son on the throne

I am the beast  
Feed me rappers or feed me beats  
I am untamed, I need a leash  
I am insane, I need a shrink  
I love brain, I need a leech  
Why complain on easy streets?  
I don't even talk, I let the Visa speak  
and I like, my sprite easter pink  
And my wrist special pah but the Mula's cooler  
I have more jewels than your jeweler  
Touch and I will bust your medulla
