

# Die for You

Al B. Sure!

Oh yeah, yeah, yeah, yeah

Haha...

Doesn't it feel good, when you love someone

Just as much as they love you

Its rare, but its possible

I love you, baby

There's a fine line between stupidity and love

And it's crazy the things love will make you do (oh no no yeah)

You mean the world to me and that will never change, ha

And I appreciate all the things you do

And I know you do (I swear I do)

Yeah, yeah, yeah, yeah

I would die for you (yeah yeah yeah yeah yeah)

And I need to know would you die for me, yeah

I would die for you

And I just gotta know would you die for me too, aw baby

Please, don't confuse me, with your diamonds and pearls

Just a touch of your hand, sparkles my jewels

I said my father said a mans gotta do what

Mans gotta do (do what you gotta do, yeah oh)

And so did his father too (now)

I feel your commitment, deep inside of mine

Along with the memories, of every time I've come

You've come to my rescue

When I was feeling down (why you feeling down)

There's no price to repay you, for all the things you do, yeah

But you don't have to wine me and dine me

But I love just to spend some time with you

Al, I'm a believer, I'll will never leave you (I'm in heaven with you)

It makes me crazy

When I think of loving you (I would be crazy if I every left you)

Now where would we be without you, without me, together forever

In such sweet harmony, baby

Would you die for me, baby

Yeah, baby

Yeah yeah yeah yeah

Through the rain, through the rain

Through the rain, through the rain

Through the rain and shine

I would die for you (oh, I would die for you)

And I just gotta know, I just gotta know

I just gotta know, I gotta know, I gotta know, I gotta know

I would die for you, yeah yeah yeah yeah

Wish to die for you (and you would die for me)

I would die for you (yes, I will)

Hey hey hey hey

I would die for you, if you die for me

I would die for you, if you die for me, baby

And I need to know (and I need to know)  
Would you die (would you die)  
Could you die for me (could you die for me) yeah  
I'll give you everything, oh oh oh  
I give up everything for you, baby  
Whoo, I give you everything, baby (Al, would you die for me)  
And I swear I'll do it right now (do you swear, do you swear)

Sometimes I get a little sad when I think about it  
(Boy, do you get a little sad when you think about it)  
I get a little sad when I think about it

I would die for you  
I would die for you
