

Just a Taste of Lovin'

Al B. Sure!

Just a-just a-just-just a taste of lovin'
Ow, it ain't hard to tell - think it ain't?
Just a taste of lovin'
Ah baby, ah baby, jam

Just a taste of lovin' is all I want
Come give it to me
And everything will be alright
Just a taste of lovin' is all you need
Let me give it to ya
And everything will be just fine

Hey, what's your name? I'd like to the chance
You can call me crazy, it sounds like romance
If you let me know what's on your mind
I've got a strong feeling that I'm gonna make you mine

Please, don't go (Just a taste of...)
Just a taste of lovin' just to let me know
Never ever leave
All I've got to know, baby, can you please me

Just a taste of lovin' is all I want
Come give it to me
And everything will be alright
Just a taste of lovin' is all you need (All I need)
Let me give it to ya
And everything will be just fine

Can I spend some time just to let you know
Can I get closer just so I can show
I've had enough of a one night romance
Come with me, baby, and don't miss this chance

Please, don't go (Just a taste of lovin')
Just a taste of lovin' just to let me know
Never ever leave
All I've got to know, baby, can you please me

Just a taste of lovin' is all I want
Come give it to me
And everything will be alright
Just a taste of lovin' is all you need (All I need)
Let me give it to ya
And everything will be alright
Just a taste of lovin' is all I want
Come give it to me
And everything will be alright
Just a taste of lovin' is all you need (All I need)
Let me give it to ya
And everything will be alright
Just a taste of lovin'
Just a taste of lovin' is all I want (Yeah)
Come give it to me
And everything will be alright
Just a taste of lovin' is all you need (It's all you need)
Let me give it to ya

And everything will be just fine
Just a taste of lovin' is all I want
Come give it to me
And everything will be alright (Everything will be just fine)
Just a taste of lovin' is all you need (All I need)
