

# Nite And Day

Al B. Sure!

Can you feel it, baby

I can

Excuse me

Do you think that I might be able to touch you

I can tell you how I feel about you nite and day

How I feel about you, no, no

I can tell you how I feel about you nite and day

How I feel about you

I'll love you more in the rain or shine

And makin' love in the rain is fine

A love so good and I call it mine

Love is blind

I can tell you how I feel about you nite and day

How I feel about you, no, no, no

I can tell you how I feel about you nite and day

How I feel about you

Believe me when I say that I do care

I can tell you

I'd like to run my fingers through your hair

I can tell you

Baby, if you left I could not bear

I can tell you

Please don't share

Do you love me, please let me know

I can tell you

Don't hide the feeling, just let it show

I can tell you

A feeling so deep that comes within

I can tell you

What kind of love am I in

I can tell you how I feel about you nite and day

How I feel about you, no, no, no

I can tell you how I feel about you nite and day

How I feel about you

If you and I were one, girl

The love we'd share would be so fun

Just take my hand and you'll see, girl

That we'd take off into another world

I can tell you how I feel about you nite and day

I can tell you how I feel about you nite and day

I'll love you more in the rain or shine

I can tell you how I feel about you nite and day

Night and day, night and day, night and day

I can tell you how I feel about you nite and day

Making love in the rain is fine

I can tell you how I feel about you nite and day

I can tell you how I feel about you nite and day
