Let me take care of you, baby, sit back (ah no no, baby)
Relax and enjoy the show
No more freaky women Friday night
Two and three at a time
And there's no more going down
Unless your mine
No no, yeah
Cause these sheets aren't doing a thing
For the episode
Please, lay back and let me take control (yeah, baby)

Cause your love is everlasting
Ooh, yeah, oh
And your smile brings me joy (Oh, joy, yeah)
You bring me joy so much joy in the morning (morning, yeah)
Morning noon and night

And I'm here to compromise (give me a condom)
Please, open up wide
I've got a big surprise, yeah
But where did we go
For about an hour or two
Cause it left us dripping wet
And now I have another load for you, baby
Cause your love is everlasting
