

All My Praise

Al Green

Hallelujah, I'm forgiven
Praise God in Heaven who reigns, yeah
Hallelujah, Christ is risen
Now every heart has a way

There's nothing left to do but give You praise, yeah
Jesus, only You get all my praise

Hallelujah, thank You, Jesus
For Your patience with me
'Coz I was blinded, but now I'm seein'
And Lord, I'm lookin' at You

Now there's nothing left to do but give You praise
There's nothing left to do but give You praise
Jesus, only You get all my praise
There's nothing left to do but give You praise

Oh, Oh
Jesus, only You get all my praise
Oh, Oh
Jesus, only You get all my praise
When I think about You, Jesus (Oh)
All I wanna do is sing out (Oh)
Jesus, only You get all my praise, yeah
When I think about You, Jesus (Oh)
All I wanna do is sing out (Oh)
Jesus, only You get all my praise (Oh)

Jesus, only You get all my praise (Oh)
Jesus, only You get all my praise
(Only all my praise)
Jesus, only You get all my praise
(Jesus, only You, all my days, oh)
Jesus, only You get all my praise
(Jesus, only You get all my praise)
When I think about You, Jesus
(Jesus, only You get all my praise)
All I wanna do is sing out (Jesus, only You)
Jesus, only You get all my praise
When I think about You, Jesus
(Jesus, only You get all my praise)
All I wanna do is sing out
(All my days, all my praise)
Jesus, only You get all my praise
(Jesus, only You, Jesus, only You)
When I think about You, Jesus (Oh)
All I wanna do is sing out (Oh)
Jesus, only You get all my praise
(All my days, all my praise)
When I think about You, Jesus (Oh)
All I wanna do is sing out (Oh)
Jesus, only You get all my praise
