

Get Back Baby

Al Green

Haha!

Oh!

Get back baby!

You're on the wrong track

Ugh

Back up train

Things are not the same, na na

You've done me wrong, baby

Now you wanna come back home, now baby

But now I'm proud, soul brother

Say what I wanna out loud

Let your hair too low, get it, get it

Now you wanna, ugh, come back home

Come tellin' me the other day, ugh

Come tellin' me, na, baby

That you really love me

You don't love me, get back! Baby, get it, ugh

Get back, baby, ugh

Hey

Baby, get it, get it, get it

Hey baby, I can dig it, uh

Get back, you don't love me

Know that you're thinking of me, baby

When I walked out the street, get back

You don't dig the, cool, baby

I'm not a fool, aye

Get back, baby, dig it

Look-a here

Hip, BJ, BJ, look-a here

Ha, DJ, now-now, baby

Tell me what you want me to do

Tell me, ugh, what you want me to do
