

Glory, Glory

Al Green

Glory glory hallelujah
Since I laid my burdens down, well
I'm feeling better, so much better
Now I know that you're around, yeah

Before you came into me
Somebody had to show me
There was more to life than livin'
There was love and there was givin'

Glory glory, well that's the story
Of the way you made me smile, well
And I betcha, I'm glad I've met ya
Someone like you, well that's my style, yeah

People laugh and say, yeah
Well I guess he's living good
Well I guess if that's the way, yeah
I just really have to say

That I love you
Gotta say it, honey say it
That I love you

Yeah, yeah

And if you'll bare it, let me share it
Love is joy I have found, well
Glory glory hallelujah
Guess I'll have to say it right now, well

I'm feeling joy all in, now
Up there [?] feelin'
It's got me singin' and dancin'
Heaven's doors I'm almost seeing

That I love you
Got to say it, say it, say it
That I love you, yeah
People talkin' 'bout it, talkin' 'bout the joy
